APPLE ROOT GRAFTS (Ready to Plant).

Our grafts are tied 100 in a bunch; each bunch is labeled; make order even hundreds of a variety as we do not break bunches. We use orchard cions, and No. 1, 3/16 and up, straight roots, to make our grafts (3½ to 4 inch root—6 inch cion). We can ship grafts now or hold until planting time. Terms are one-fourth of amount with order, balance when ordered shipped. Grafts should be shipped by express.

	100	1000
Apple Root Grafts, No. 1 piece root.....	\$1.50	\$10.00
In lots of 10,000 to 50,000.....		9.00

We consider our No. 1 Piece Root Apple Grafts superior to Whole Root Grafts and safer to plant. We will price Whole Root Grafts upon request.

The principal varieties of No. 1 Piece Root grafts:

Delicious	York Imperial	Baldwin	Duchess
Jonathan	Ark. Black	Black Ben Davis	Mo. Pippin
M. B. Twig	Yellow Transparent	Chenango Strawberry	Red Astracan
Stayman's Winesap	M. Blush	Talmans Sweet	N. W. Greening

Wealthy	McIntosh	King David	Transcendent
Ben Davis	Early Harvest	Liveland	Hyslop
Gano	Banana	Rambo	Whitney

PEAR GRAFTS ON NO. 1 JAPAN STOCKS.

Pear grafts do better if grafted at the collar. While in some sections of the country the Piece Root Pear Grafts do well, as a rule, we believe it pays to plant the Whole Root or Crown Pear Grafts.
